RE: New Library Board Member Approval

Melissa,

The library board is recommending that Genia Thibault serve as a member of their board. Trustee Maggie Burge's term will be up the end of September leaving a vacancy. With the Village Board's approval she would be serving a three-year term. I agree with the library board that Genia Thibault did an excellent job as President while serving in the past and is a wise choice to once again serve as a member of the library board.

Would you please include this information on the agenda for the next Village Board Meeting, so that our library members will all be in place for our next meeting in September when officers are elected?

Thank you,

Julie Jorgensen
Director
