\_\_\_\_\_, 2022

FOR VALUE RECEIVED, the undersigned Village of Waterloo as the Community Redevelopment Authority of the Village of Waterloo (the "Authority") promises to pay TDH Home Building, Inc., a Nebraska Corporation, 2513 River Road, Waterloo, NE 68069, (the "Holder"), and/or its assigns, the principal sum of Eight Hundred Twenty-Five Thousand and No/100 Dollars (\$825,000.00), together with interest thereon at the rate of 6.0% per annum from the date of the execution of this Redevelopment Promissory Note (the "Note") until paid in full. The principal balance and interest thereon shall be due and payable to the Holder of this Note as and at such time as any excess *ad valorem* taxes generated by the Harvest Heights Redevelopment Project Four as set forth in that certain Redevelopment Contract, as from time to time amended, dated the 12th day of July, 2022, by and between the Authority and the Holder, collected by the Authority and available for the retirement of this debt. The Redevelopment Contract established the "Effective Date" for such division of taxes as January 1, 2023 pursuant to the Nebraska Community Development Law.

In the event of default under this Note, all sums secured by this Note or any other agreement securing this Note shall bear interest at a rate equal to six percent (6.0%) above the national prime rate as published by the Wall Street Journal, from time to time, however, in the event said interest rate exceeds the maximum rate allowable by law then such rate of interest shall equal the highest legal rate available.

Authority may prepay the principal amount outstanding in whole or in part, without the prior consent of the Holder.

In the event the monies collected and held in that special fund established under Section 18-2147 of the Nebraska Revised Statutes and pursuant to the Redevelopment Contract are insufficient to pay in full all amounts due and owing, and all excess *ad valorem* taxes generated by the Redevelopment Project, as assessed through tax year 2037 and set forth in the Redevelopment Contract, have been collected by the Authority and have been paid, immediately upon being available, towards the retirement of the amounts due hereunder, then, at said date or upon the date

such excess *ad valorem* taxes have been collected and paid, the Holder shall waive any unpaid portion of the principal and interest due upon written request of the Authority.

In the event this Note is referred to an attorney for collection the Holder shall be entitled to reasonable attorney fees allowable by law and all court costs and other expenses incurred in connection with such collection.

The Authority shall be in default in the event the Authority shall fail to pay, when due, any amount required hereunder.

Unless prohibited by law, the Holder may, at its option, declare the entire unpaid balance of principal and interest immediately due and payable without notice or demand at any time after default, as such term is defined in this paragraph.

Holder may at any time before or after default, exercise his right to set off all or any portion of the indebtedness evidenced hereby against any liability or indebtedness of the Holder to the Authority without prior notice to the Authority.

Demand, presentment, protest and notice of nonpayment under this Note are hereby waived.

No delay or omission on the part of the Holder in exercising any remedy, right or option under this Note shall operate as a waiver of such remedy, right or option. In any event, a waiver on any one occasion shall not be construed as a waiver or bar to any such remedy, right or option on a future occasion.

Any notice provided for in this Note to the Authority or the Holder shall be in writing and shall be given by regular mail to the Holder or Authority, or at such other address as either party may designate by notice in writing.

This Note shall be governed by and construed in accordance with the laws of the State of Nebraska. All payments hereunder shall be payable in lawful money of the United States of America and shall be legal tender for public and private debts at the time of payment.
