Subject: Tires

Melissa for tires for the police cruiser would be 490.92 the price for tires for maintenance truck would be 540 .00 there is a price for install at \$20 per tire however I don't think that was the state bid price on the install at most looking at 620.00 for maintenance tires Goodyear AT adventurer.

If this could be on the agenda for approval on Tuesday's meeting for both I appreciate it thank you!!
